

NEWS RELEASE

Endeavour Silver Closes Sale of El Cubo Mine to VanGold Mining

Vancouver, Canada – April 12, 2021 – Endeavour Silver Corp. (TSX: EDR, NYSE: EXK) (“**Endeavour**”) announces that it has now closed the sale of the El Cubo Mine in Guanajuato, Mexico to VanGold Mining Corp. (“**VanGold**”) for \$15 million in cash and share payments plus up to \$3 million in future contingent payments (all dollar amounts in US dollars unless otherwise noted) (the “**Transaction**”).

VanGold paid \$15,000,000 to Endeavour as follows:

- \$7.5 million cash on closing.
- \$5.0 million (C\$6,399,317.40) in VanGold common shares (“**VanGold Shares**”) on closing, priced at \$0.2344 (C\$0.30) per VanGold Share for a total of 21,331,058 VanGold Shares (“**Consideration Shares**”) representing approximately 10.9% of the issued and outstanding VanGold Shares.
- \$2.5 million promissory note due 12 months from closing.

VanGold has also agreed to pay Endeavour up to an additional \$3,000,000 in contingent payments based on the following:

- \$1.0 million upon VanGold producing 3,000,000 silver equivalent ounces from the El Cubo mill, derived from either the El Cubo or El Pinguico project, \$500,000 of which may, in VanGold’s discretion, be paid in VanGold Shares.
- \$1.0 million if the price of gold closes at or above \$2,000 per ounce for 20 consecutive trading days within two years after the closing date of the Transaction.
- A further \$1.0 million if the price of gold closes at or above \$2,200 per ounce for 20 consecutive trading days within three years after the closing date of the Transaction.

Bradford Cooke, Endeavour CEO and Director, commented, “We are pleased to close this transaction and I congratulate VanGold for helping make it a win-win deal for both companies. They are in the best position to create more value out of the El Cubo assets given their emerging El Pinguico project located very close to El Cubo, and we now become the largest shareholder of VanGold. I look forward to supporting VanGold in their efforts to become the next junior silver-gold producer in Mexico!”

On the closing of the Transaction, Endeavour acquired 21,331,058 VanGold Shares. Based on 194,931,838 VanGold Shares outstanding as of the closing date of the Transaction, the Consideration Shares represent 10.9% of the outstanding VanGold Shares on an undiluted basis. Prior to the closing date of the Transaction, Endeavour did not own any VanGold Shares or other securities of VanGold. Endeavour has agreed to abstain from voting its shares of VanGold, other than as recommended by VanGold’s management, for a period of 2 years, and to a 12-month restriction on the resale of any VanGold shares acquired in this Transaction.

Endeavour acquired its interest in the Consideration Shares for long term investment purposes and will continue to monitor the business, prospects, financial condition and potential capital requirements of VanGold. Endeavour may acquire additional securities of VanGold including on the open market or through private acquisitions or sell securities of VanGold including on the open market or through private dispositions in the future depending on market conditions, reformulation of plans and/or other relevant factors.

About Endeavour Silver – Endeavour Silver Corp. is a mid-tier precious metals mining company that owns and operates three high-grade, underground, silver-gold mines in Mexico. Endeavour is currently advancing the Terronera mine project towards a development decision and exploring its portfolio of exploration and development projects in Mexico and Chile to facilitate its goal to become a premier senior silver producer. Our philosophy of corporate social integrity creates value for all stakeholders.

Cautionary Note Regarding Forward-Looking Statements

This news release contains “forward-looking statements” within the meaning of the United States private securities litigation reform act of 1995 and “forward-looking information” within the meaning of applicable Canadian securities legislation. Such forward-looking statements and information herein include but are not limited to statements regarding future prospects of the El Cubo and El Pinguico projects and future acquisitions or dispositions of VanGold Shares. The Company does not intend to and does not assume any obligation to update such forward-looking statements or information, other than as required by applicable law.

Forward-looking statements or information involve known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, production levels, performance or achievements to be materially different from those expressed or implied by such statements. Such factors include but are not limited to the ultimate impact of the COVID 19 pandemic on operations and results, changes in production and costs guidance, national and local governments, legislation, taxation, controls, regulations and political or economic developments in Canada and Mexico; financial risks due to precious metals prices, operating or technical difficulties in mineral exploration, development and mining activities; risks and hazards of mineral exploration, development and mining; the speculative nature of mineral exploration and development and risks in obtaining necessary licenses and permits,

Forward-looking statements are based on assumptions management believes to be reasonable, including but not limited to: the continued exploration and mining operations, no material adverse change in the market price of commodities, mining operations will operate and the mining products will be completed in accordance with management’s expectations and achieve their stated production outcomes, and such other assumptions and factors as set out herein. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or information, there may be other factors that cause results to be materially different from those anticipated, described, estimated, assessed or intended. There can be no assurance that any forward-looking statements or information will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements or information. Accordingly, readers should not place undue reliance on forward-looking statements or information.
